

666

There was a year in which Solomon received **666** talents of gold. (If each talent weighed 75 pounds then this would have been about 50,000 pounds, which would be worth around \$4 billion dollars. This was an *enormous* quantity of gold.)

- **1 Kings 10:14:** "Now the weight of gold that came to Solomon in one year was six hundred threescore and six talents of gold,"
- **2 Chronicles 9:13:** "Now the weight of gold that came to Solomon in one year was six hundred and threescore and six talents of gold;"

There are only two places in the Old Testament where the number **666** appears. One of them is the amount of gold Solomon received in a specific year.

- **1 Kings 10:14:** "Now the weight of gold that came to Solomon in one year was six hundred threescore and six talents of gold,"
- **2 Chronicles 9:13:** "Now the weight of gold that came to Solomon in one year was six hundred and threescore and six talents of gold;"

666 of the male descendants of Adonikam returned with Zerubbabel to Jerusalem. (This is the second place where that number appears in the Old Testament.)

- **Ezra 2:13:** "The children of Adonikam, six hundred sixty and six."

The verse which says that many people were offended by the teachings of Jesus and left Him is John 6:66 (**666**).

- **John 6:66:** "From that time many of his disciples went back, and walked no more with him."

The number of the antichrist is **666**. (In the Hebrew and Greek languages, letters also had a numeric value. When the numeric value of the letters of the name of the antichrist are added together, the total will be 666.)

- **Revelation 13:18:** "Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six."
